

Code of Conduct: Cultivating Workplace Ethics

**PROTECT YOUR
WORKFORCE WITH
TRAINING THAT
CULTIVATES
RESPECT,
ACCOUNTABILITY,
AND WORKPLACE
ETHICS.**

Employers who are dedicated to operating with the highest standards of integrity know that ethics cannot simply live on paper. A code of conduct only becomes meaningful when employees understand how to apply it in everyday situations.

SHIFT's *Code of Conduct: Workplace Ethics* course provides practical guidance to help employees recognize and uphold ethical standards across all aspects of their work.

TRAINING OVERVIEW

Code of Conduct: Workplace Ethics explores topics such as honesty, accountability, fairness, respect, appropriate use of company resources, handling conflicts of interest, and safeguarding confidentiality. By investing in this training, organizations reinforce a culture where ethical decision-making, professionalism, and mutual respect guide every action.

LEARNING OBJECTIVES

Self-paced eLearning with interactive scenarios and reflection points.

- Clarify what constitutes **appropriate workplace conduct and ethical behavior**
- Illustrate examples of **acceptable and unacceptable actions**
- Explain what **steps to take when faced with or witnessing code of conduct violations**
- Demonstrate an understanding of **how to practice ethical decision-making**
